DR. MARIA KATHARINA INGLESBY

SPEAKER | AUTHOR | MYSTIC mariainglesby.com maria@mariainglesby.com

When logic alone could no longer explain her lived experience, Dr. Maria Katharina Inglesby's path expanded beyond science into higher consciousness. Trained as a scientist, she brings discernment and intellectual rigor to her spiritual work, exploring conscious surrender, perception shifts as the source of breakthroughs, healing unresolved soul patterns, and the integration of intellect and heart in what she calls the emerging New Earth. As one who consciously co-creates in alignment with Universal Law, Maria stands as a forerunner of this evolving consciousness—guiding those ready to step into self-empowered sovereignty and become conscious creators of their own reality.
